

HENNA LIPSIZER

for natural fullness

HENNA LIPSIZE - FOR NATURAL FULLNESS !

Try Henna Lipsize for voluptuous and sensual lips.

Thanks to a unique combination of the best that nature and modern technology can offer, Henna Lipsize works as a booster for your lips and will give them a fuller look.

Try Henna Lipsize for voluptuous and sensual lips. Henna Lipsize works as a booster for your lips and will give them a fuller look.

- **Enhances the volume of the lips.**
- **Reduces furrows and desquamation.**
- **Gives you sensual and shiny lips.**

The presences of refreshing Orange extract and natural oils also give Henna Lipsize smoothing and moisturizing qualities, making it very gentle and agreeable to apply and leaving your lips shiny and bright.

- **Acts as an emollient and moisturizer for softer lips.**
- **Protects lips from UV and free radicals.**
- **Results visible already after a month's use!**

Henna Lipsize is the perfect alternative to expensive surgery, such as collagen injections, and to painful tattooing of the lips' contour. Henna Lipsize's ingredients hydrate and stimulate the collagen and GAG (glycosaminoglycolas) synthesis in the connective tissue of the lips thanks to which you can get the same results in a better way!

- **Quick, painless and cheap.**
- **Gentle and agreeable to wear.**
- **Made of 100% natural ingredients**

Double Size – Double Concentration!

Application: Apply Henna Lipsize on your lips like a regular lipstick as often as needed.

Note: You will notice the positive effects after a month's use.
Close cap after use.
