

HENNA EYES

gentle and long lasting

HENNA EYES – NEW, UNIQUE AND SAFE!

Enhance the beauty and highlight the shape of your eyes in a natural way with Henna Eyes!

Thanks to a unique combination of modern technology and the best that nature can offer, Henna Eyes is the perfect solution for long-lasting and natural make-up.

Henna Eyes is a revolutionary product that gives the contour of your eyes a fashionable and long lasting colour thanks to pure henna extract. Henna Eyes is a semi-permanent eyeliner based on 100% natural ingredients.

- **Double function – an eyeliner and a brow liner!**
- **Long-lasting and natural make-up thanks to pure henna extract.**
- **Touch proof – does not smudge.**

Henna Eyes is based on 100% natural ingredients and on pure henna extract.

- **Soft and gentle.**
- **Free from preservatives and artificial colours.**
- **Not tested on animals .**

Henna Eyes represents all the beauty enhancing benefits of henna, Lawsonia Inermis, without the complicated process that traditional uses of henna requires. Thanks to its unique formula and shape Henna Eyes is a straightforward and easy to use product.

- **Perfect look all day long.**
- **A two-tipped pen for high precision.**
- **Colours for all tastes.**

Choose from our range of colours to match your mood and clothes!

Choose to be a Classic Beauty with our traditional colours: *Liquorice Black, Agave Grey, Black Currant, Blueberry, Cocoa Brown, Hazelnut and Fudge.*

Or go wild with our trendy palette of colours: *Raspberry Pink, Purple Plum, Mint Blue, Avocado Green and Golden Honey.*

Application: Henna Eyes can be applied on the eyelids and eyebrows, but should not be applied on the inside of the eye. Apply before eye shadow.

Note: We recommend that people with sensitive skin always test make-up products on small areas first.

Close cap after use to avoid contents from drying out.

Ingredients: *Lawsonia Alba, Matricaria Chamomila, Aqua, Capsicum Annuum, Eugenia Caryophyllata, Hydrolyzed Wheat Protein, Polygonum Tinctorium, Linum Usitatissimum.*
